

Constituency of Wyre and Preston North – Boundary Details

To study the details of the boundary of the new constituency, of which Grimsargh is now a part, go to the website:

www.election-maps.co.uk

From the home page enter the site and you will be presented with a screen asking you for the area you are looking for. Entering either “Preston” or “Wyre” will come back with two search results and you can select “Wyre and Preston North”.

You will then be presented with a screen with two maps (see over). The left hand map is a summary of the total constituency area and the right hand map shows the details of the area indicated in the small red box on the left hand map.

You can move the box by either clicking on the summary map, or using the compass navigation on the top right hand corner of the detailed map.

The constituency boundary is highlighted in yellow on the left hand summary map and by a dashed black line on the detailed map.
