

Dear Customer

## **Changes to Grimsargh Post Office® - tell us what you think**

We're talking to the Postmaster about the possibility of making some changes to your Post Office and we'd like you to tell us what you think about the changes before we finalise our plans.

### **What's happening?**

We're investing in our branches across the Post Office network to make them more modern and convenient for you and our Postmasters who run them. As part of this programme of investment and modernisation we are talking to the Postmaster about the possibility of changing your branch to one of our new style local branches. This would mean:

- Post Office services would be offered from a till on the retail counter in a modern branch instead of the separate screened counter
- If the change goes ahead the branch would be open for longer: Mon – Tue 06:00 – 20:00, Wed – Sat & Sun 07:30 – 19:00. (Current opening times are: Mon – Fri 08:00 – 18:30 & Sat 08:00 – 13:00)
- You'll still have most of the Post Office products and services you're used to but some services will no longer be available at this branch. These services are currently available at the branch listed overleaf, and some products, like travel insurance, are available online or by telephone. Please look over the page for details of product availability
- Your branch may need to close for up to seven days during April 2015 while the refurbishment takes place

### **You can help shape your service in this store**

We want to know what's important to you and would like you to tell us what you think about the changes; particularly on the following areas:

- Why do you use this Post Office and what do you like about it?
- Do you have any comments about the changes to the branch? For example, the Post Office till would be on the retail counter in your newly modernised branch, therefore are there any measures you would like to see in place about the proposed location of the Post Office till or the queuing area?
- Do you have any comments about any changes to the opening hours?
- Do you have any comments about how you will access the Post Office products and services that will no longer be available at the branch if the change goes ahead?
- Do you have any comments about the potential closure period during the refurbishment or access to other branches in the area?

If you don't have a QR code scanner on your phone, you can find one in your app store.

Please note this is the full address to use and no further address details are required.

We'll accept responses up to and including 17 March 2015. We won't be replying to you individually but what we will do is tell customers how we've considered the feedback on a poster which will be displayed in branch. A summary of responses will be provided to the independent statutory consumer watchdog, which in Great Britain is Citizens Advice and Citizens Advice Scotland, and in Northern Ireland, the Consumer Council.

### **When would the changes happen?**

We are planning to make these changes in April 2015. We'll put a poster up in branch at least two weeks before to let you know the exact date and to tell you how we've considered your feedback. We'll make sure any disruption caused by the refurbishment is kept to a minimum. The following branch will be happy to provide you with Post Office services during this period.

- Ribbleton Post Office, 76 Longridge Road, Ribbleton, Preston, PR2 6RJ

We'll also be asking you for your feedback again once the changes have taken place. A questionnaire will be available in branch for you to complete shortly after your new look branch opens.

To get this information in a different format, for example, in large print, audio or braille please contact the Customer Helpline on 08457 22 33 44

This communication process has been agreed with the independent statutory consumer watchdog, which in Great Britain is Citizens Advice and Citizens Advice Scotland, and in Northern Ireland, the Consumer Council, and is being carried out in line with our Code of Practice for changes to the Post Office network, which we have agreed with them. If you'd like copies of the Code they are available in branch, or by contacting us or on our website at: [www.postoffice.co.uk/transforming-post-office](http://www.postoffice.co.uk/transforming-post-office). If you think that the process has not been properly followed and wish to make a complaint, then please write to us or email us via the contact details included in our posters and letters and let us know why. We'll examine your complaint and respond to you as soon as we can. We will provide you with the relevant contact points for the consumer watchdog, so if you are still not satisfied when you have received our response, you can ask them for their assistance.
